***Reason for Allowance***

The following is an examiner's statement of reasons for allowance:

As indicated on the office action dated October 5, 2005, claims 3, 6 and 18 would be allowable if rewritten in independent form. The claims in the instant application have not been rejected using prior art because no references, or reasonable combination thereof, could be found which disclose, or suggest, a joint arthroplasty kit comprising the features of the cited art with a kit for use with a driver in performing joint arthroplasty comprising the combination of what is disclosed with a reamer having a tapered external periphery, a driver having a tapered internal periphery and the trial also including having a tapered internal periphery thereof.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael J. Araj whose telephone number is 571-272-5963. The examiner can normally be reached on M-F 8am-5pm.
